

SME CORPORATE MEMBERSHIP

sme  | membership
learn. engage. advance.

ABOUT SME

SME Corporate Members can connect with peers, gain knowledge related to manufacturing technology and trends, solve problems and participate in leadership opportunities.

SME offers unique opportunities for Corporate Members. Working closely with you and your company, we will customize your membership based on your company's overall needs. Our program connects companies to thousands of professionals within all disciplines of manufacturing, expanding your organization's access, expertise and engagement.

Paymerang is thrilled to partner with SME to bring our finance automation solutions to manufacturers across the country. The educational opportunities that SME presents to its members has allowed us to have meaningful conversations regarding how manufacturers can operate more securely and efficiently.

Matthew Kirkpatrick
VP of Business Development
Paymerang
